

Stairmate Major

Wheelchair Platform Stairclimber

The Stairmate Major has been designed as the world's only portable inclined platform lift. This unique and robust product provides access or evacuation for all types of wheelchair, with no installation. Historic buildings, where structural changes are not permitted, and many other types of organisation, have all benefited from the versatility of the Stairmate Major.

Baronmead
With you at every step

Features and benefits

- ✓ Up to 600 steps on full battery charge (depending on the passenger's weight and the climate conditions)
- ✓ Standard speed – 7.5m/min up, 11.0m/min down
- ✓ Sealed (24v) batteries
- ✓ Head rest for comfort and support
- ✓ Compact off board charger
- ✓ Emergency stop button
- ✓ 100% mobile
- ✓ No wall installation or stairway alterations are required
- ✓ The Stairmate Major is on wheels and can travel on level ground
- ✓ Transfer on to the Stairmate Major away from the staircase (unlike a fixed stairlift) enabling use within restricted areas
- ✓ Ideal for external applications, including stone, metal and wood
- ✓ Full after sales service, parts, training & relocating
